About Us

Our Founder's Belief

“My dharma (duty) is to work, so I can give” ”

“Health & Education are every citizens birthright ”

Translated the founder's vision into reality –
“Affordable Quality Healthcare For All”

She dedicated the best years of her life, covering over
three decades, to the service of the hospital.

Infused the precious value system of “Selfless
Service” within the hospital.

Smt. Lalita Girdhar Hinduja

“ Love Achieves Limitless
Impression Through Action ”

Our Philosophy

Our Philosophy

Our Leaders

The driving force...

Shri S.P Hinduja, Shri G.P Hinduja, Smt. Lalita Hinduja, Shri P.P Hinduja, Shri A.P Hinduja

Shri S P Hinduja and his brothers have translated their Father, Shri P. D. Hinduja's dream through focus on Excellence in Affordable Quality Healthcare Delivery, Research and Education

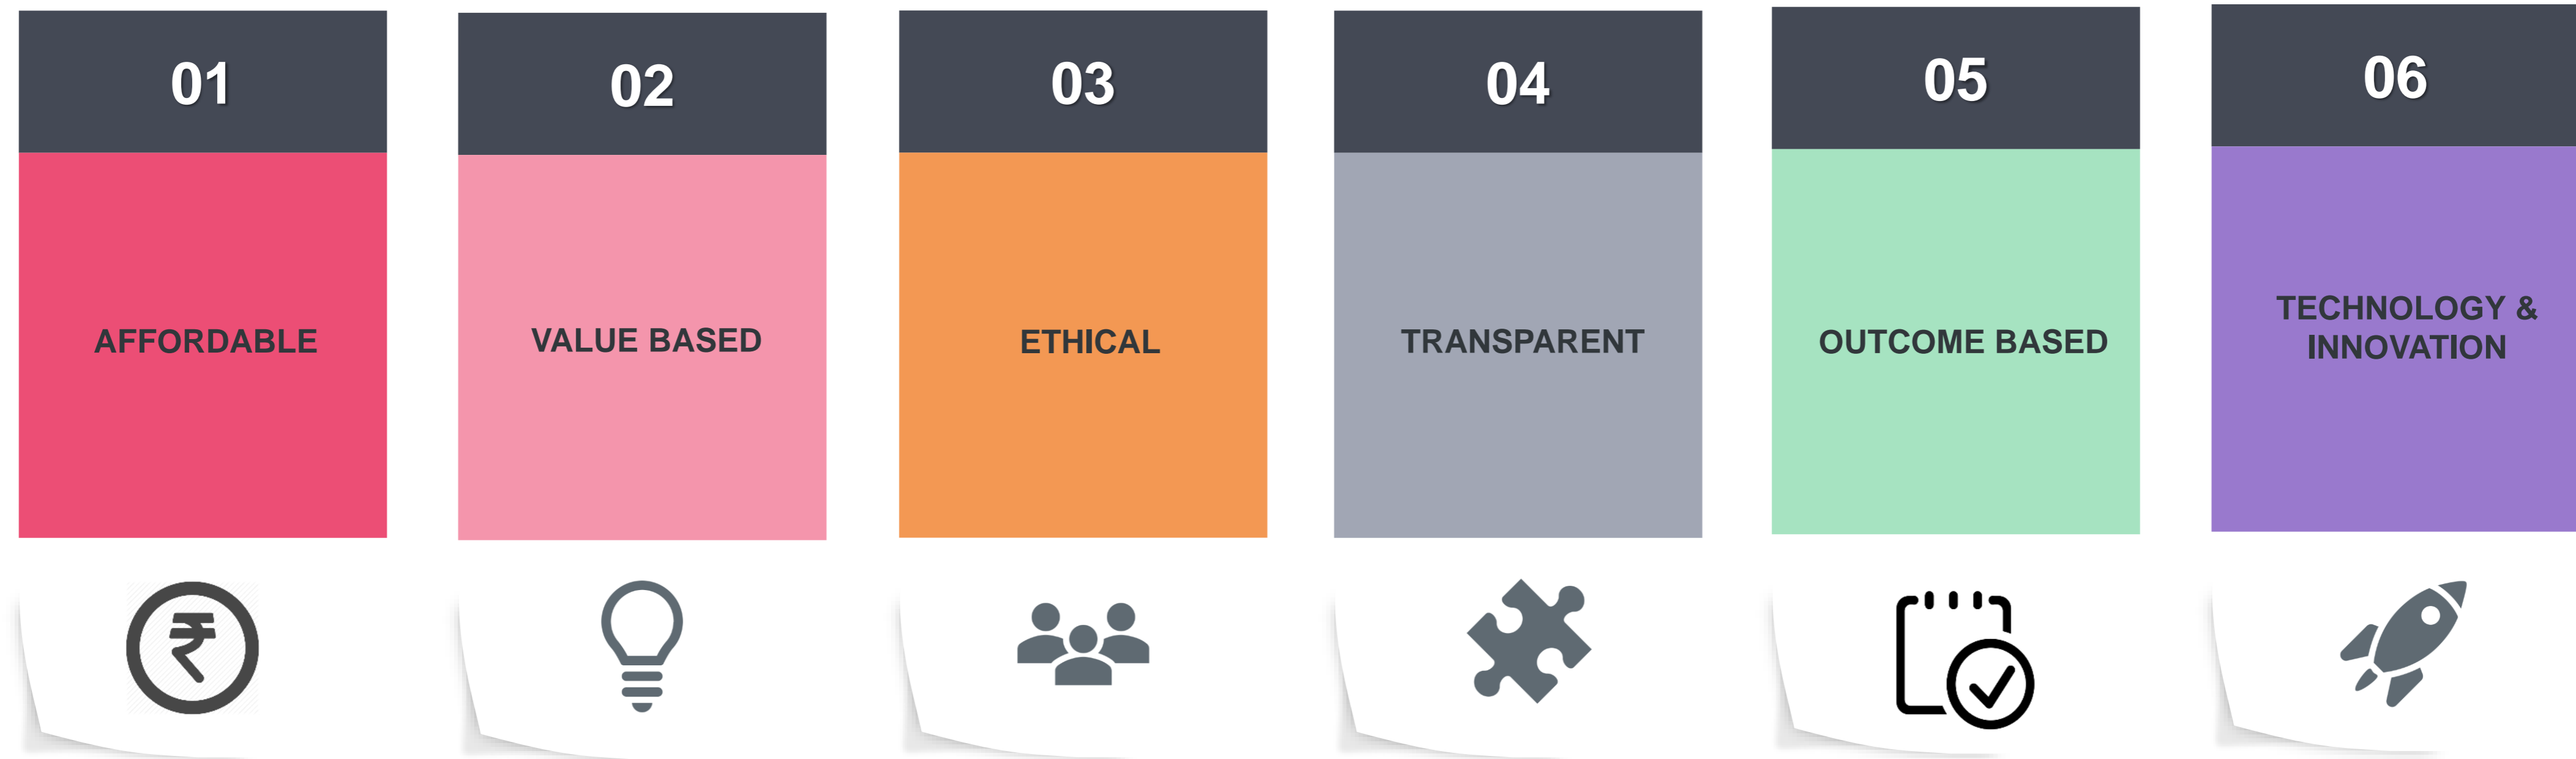

Our Mission

To create P. D. Hinduja Hospital & Medical Research Centre a world class medical institution by delivering quality medical care to all patients, as well as continuous medical education to all the doctors & training of nurses and by undertaking basic & clinical research with the focus on the needs of the country.

Our Vision

“QUALITY HEALTHCARE FOR ALL”

Our Guiding Principles

Work To Give

- Rural health Program – **'Serve with Passion'**
- 'Live to Give Hope' (LGH) fund.
- Over 50 crores of charity annually

Word is a Bond

- Pioneers in the model of full-time doctors
- Commitment to deliver quality
- Lean Six Sigma, NABH, CAP, ISO 27001, HACCP, NABL accredited

Act Local; Think Global

- Advanced Robotic Surgery
- Gamma Knife
- MRI Suite
- NAT blood testing
- Combo Cath Lab
- Hospital Information System with integrated PACS, LIS and Disease Management

Advance Fearlessly

- Association with Massachusetts General Hospital
- DNB in 26 specialties
- IDCC with Henry Ford Health Systems.
- Association of Osteosynthesis (AO) Center
- College of Nursing: Graduate & Master programs

Partnership for Growth

- Understanding with The Division of AIDS (NIAID, NIH)
- Short Stay Service
- Care @ Home
- Poison Centre

Charity Initiatives

Charity Initiatives

P. D. Hinduja Hospital spends close to Rs. 45 cr annually towards charity

1

Live To Give Hope

A benevolent fund designed to benefit the needy patients

2

Charity at Hospital

Free / discounted treatment to the needy at the hospital

3

'Serve with Passion' Rural Health Program

The hospital runs free healthcare services to the tribal areas in Maharashtra

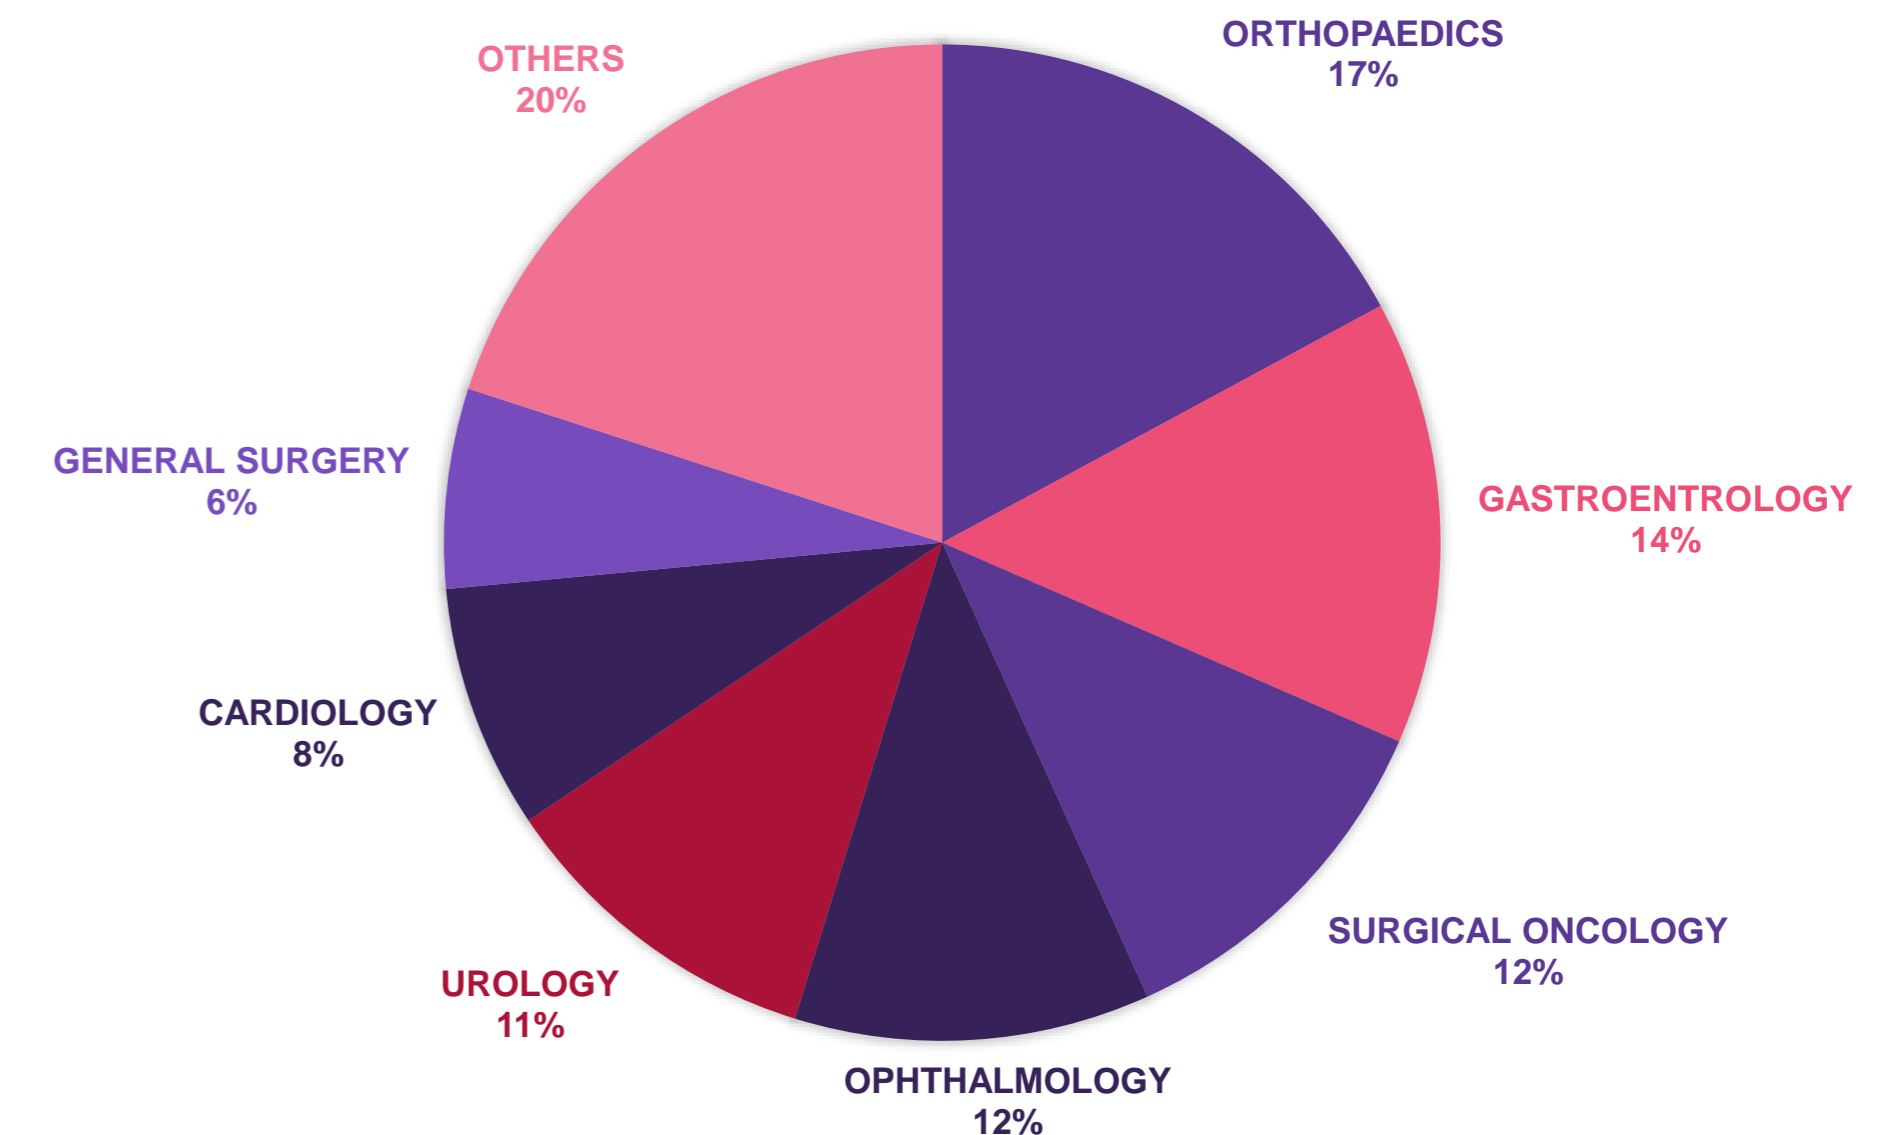

Live To Give Hope Fund

- A benevolent Fund designed to benefit the needy patients in all ways including core medical activities.
- It is inspired by the experience of having run a charitable medical institution of repute and the lives of people behind the institution particularly, Smt. Lalita G. Hinduja

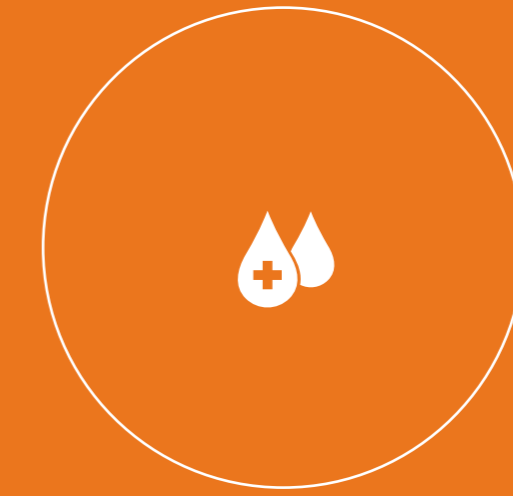

Charity at the Hospital

- The hospital provides free / concessional treatment as per the Charity under High Court scheme and also at its own discretion extends Charity to even those needy and deserving patients, who do not fall eligible under High Court Scheme.

Specialty wise patients treated under Charity

Data: 2011 – 2020

Rural Health Programme

- The Serve with Passion Rural Health Programme, provides free healthcare services in Jawahar, Maharashtra.
- 9 buses work in a hub and spoke model covering around 33 villages. The programme has treated more than 3.5 lakh patients.
- Apart from providing healthcare access to the poor, the hospital also conducts health education programmes and special camps.
- The programme won the Excellence Award in the CSR Project category at the Healthcare Management Asia Awards in 2018.

Achievements of the program

3000 – average number of eye check-ups done every year including adults and children. Spectacles / cataract surgeries are provided free of cost to the needy.

Newborns of the pregnant beneficiaries were found to have a greater birth weight of **2.59** kg rather than the beneficiaries who did not.

Each year more than **3500** school children from **47** schools are provided with nutrients/supplements, health education, deworming, provision of footwear, rain & winter wear. The program also provides children with access to clean water and sanitation facilities.

Approx. 3,50,000 patients attended since inception.

8000 – average number of gynaecology consultations every year with ANC and PNC beneficiaries.

Selected by the **Health Ministry of Maharashtra** state to conduct joint weekly OPDs in the Primary Health centres (PHC) of Jawhar Taluka since Sept 2016.

A total of 41 hospital staff is dedicated towards the rural programme. These consists of doctors, nurses, technicians, social workers, physiotherapists, drivers and attendants.

1. Good Living Drive for general public
2. Ride with cancer survivors
3. IVF awareness event at the hospital
4. Diabetes camp at Churchgate and CST station
5. Health check-up camp at corporate
6. Awareness campaign on No Tobacco Day

Community & Corporate events

P. D. Hinduja Hospital organizes various community and corporate health awareness camps. These camps help the hospital reach out to patients directly and address the health concerns. The hospital also regularly conducts health check camps for police, railway employees.
